

## Teen Survey on the Online Search Exercise

This is a survey that will ask you about:

- words and images you may have seen during the research session,
- the quality of the sites you visited, and
- your experience of doing the exercise.

As you fill the survey out, please keep in mind that...

- This survey is **completely voluntary**. This means you do not have to answer these questions if you do not want to. You may skip any questions you do not want to answer, and you may stop the survey at any time.
- The questions in this survey have **no right or wrong answers**.
- This survey is **anonymous**, meaning that your name will never be attached to your answers. Your answers will be kept **confidential**. Please do not put your name on any of these sheets.

If you have any questions/concerns at any point during the survey,  
please feel free to ask the research assistant!

## Recall

The following questions are about words and images you may have seen while searching the Internet in our lab. Please do your best to remember whether or not you saw anything about these topics, and then mark an "x" anywhere on the bar to indicate your answer.

1) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about condoms?

Absolutely sure I did NOT see it

I don't know

Absolutely sure I did see it

2) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about clinch staples?

Absolutely sure I did NOT see it

I don't know

Absolutely sure I did see it

3) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about dRNA tests?

Absolutely sure I did NOT see it

I don't know

Absolutely sure I did see it

4) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about the rhythm method?

Absolutely sure I did NOT see it

I don't know

Absolutely sure I did see it

5) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about Orthenex?

Absolutely sure I did NOT see it

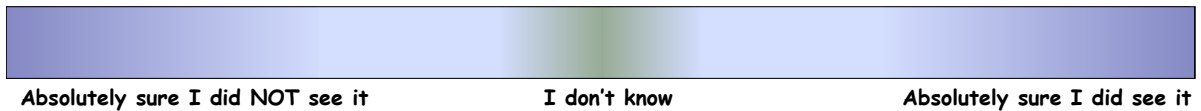

I don't know

Absolutely sure I did see it

6) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about estrogen?

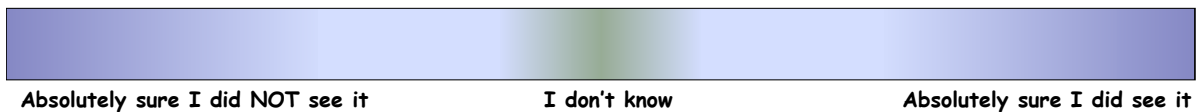

7) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about larynx?

8) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about Peggy Charren?

9) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about vas deferens?

10) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about support groups?

11) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about gout?

12) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about Nabisco?

13) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about bisexuality?

14) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about antioxidants?

15) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about fanconia anemia?

16) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about stress?

17) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about Bristol-Myers Squibb?

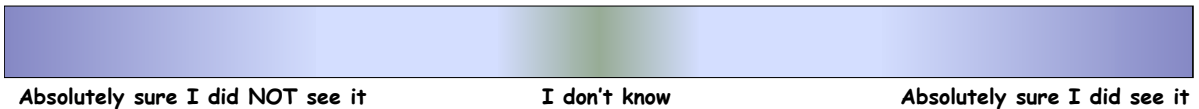

18) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about Hilary Clinton?

19) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about privacy policies?

20) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about female teenagers?

21) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about Asian-American teenagers?

22) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about cortisol?

23) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about male teenagers?

24) While you were searching the Internet during THIS research session, how sure are you that you saw any words or pictures about special offers?

A horizontal gradient bar ranging from light blue on the left to dark blue on the right.

Absolutely sure I did NOT see it

I don't know

Absolutely sure I did see it

2) During your searching in this research session, how many sites did you come across that provided information that seemed inaccurate or outdated?

- 0 sites
- 1 site
- 2 sites
- 3 sites
- 4-10 sites
- 10-20 sites
- Over 20 sites

## Personal Experience of Session

1) During the online exercise, how CONFIDENT did you feel that you could find the information you were looking for? (Please mark an "x" anywhere on the bar below to indicate your answer)

Not confident at all

Extremely confident

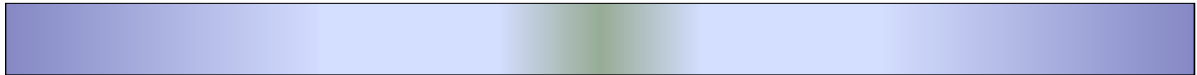

2) During the online exercise, how DIFFICULT did you feel it was to find the information you were looking for?

Not difficult at all

Extremely difficult

3) During the online exercise, how SUCCESSFUL were you at finding the information you were looking for?

Not successful at all

Extremely successful

4) How SIMILAR was this search experience to the health-related searching you might have done for school or for personal purposes?

Not similar at all

Extremely similar

5) How HARD or EASY was it to understand the information you found about pregnancy during your search session?

Extremely hard

Extremely easy

6) How HARD or EASY was it to understand the information you found about contraceptives during your search session?

Extremely hard

Extremely easy

7) How HARD or EASY was it to understand the information you found about parenting during your search session?

Extremely hard

Extremely easy

8) How HARD or EASY was it to understand the information you found about sexually transmitted diseases (STDs) during your search session?

Extremely hard

Extremely easy

9) How HARD or EASY was it to understand the information you found about puberty during your search session?

Extremely hard

Extremely easy

10) How HARD or EASY was it to understand the information you found about gay/lesbian/bisexual issues during your search session?

Extremely hard

Extremely easy

11) How USEFUL was the information you found about pregnancy during your search session?

Not useful at all

Extremely useful

12) How USEFUL was the information you found about contraceptives during your search session?

Not useful at all

Extremely useful

13) How USEFUL was the information you found about parenting during your search session?

Not useful at all

Extremely useful

14) How USEFUL was the information you found about sexually transmitted diseases (STDs) during your search session?

Not useful at all

Extremely useful

15) How USEFUL was the information you found about puberty during your search session?

Not useful at all

Extremely useful

16) How USEFUL was the information you found about gay/lesbian/bisexual issues during your search session?

Not useful at all

Extremely useful

17) During this session, which topic did you learn the most about? *(Please check off only ONE)*

- |  |  |
|--|--|
| <input type="checkbox"/> Pregnancy     | <input type="checkbox"/> Puberty                               |
| <input type="checkbox"/> Contraception | <input type="checkbox"/> Issues for Gay/Lesbian/Bisexual Teens |
| <input type="checkbox"/> Parenting     | <input type="checkbox"/> Sexually Transmitted Diseases         |
|  | <input type="checkbox"/> Other _____                           |

18) Of the topics that came up during the session, which topic did you know the MOST about before coming here today? *(Please check off only ONE)*

- |  |  |
|--|--|
| <input type="checkbox"/> Pregnancy     | <input type="checkbox"/> Puberty                               |
| <input type="checkbox"/> Contraception | <input type="checkbox"/> Issues for Gay/Lesbian/Bisexual Teens |
| <input type="checkbox"/> Parenting     | <input type="checkbox"/> Sexually Transmitted Diseases         |
|  | <input type="checkbox"/> Other _____                           |

19) Of the topics that came up during the session, which topic did you know the LEAST about before coming here today? *(Please check off only ONE)*

- |  |  |
|--|--|
| <input type="checkbox"/> Pregnancy     | <input type="checkbox"/> Puberty                               |
| <input type="checkbox"/> Contraception | <input type="checkbox"/> Issues for Gay/Lesbian/Bisexual Teens |
| <input type="checkbox"/> Parenting     | <input type="checkbox"/> Sexually Transmitted Diseases         |
|  | <input type="checkbox"/> Other _____                           |

20) During this session, did you learn about any topics that you might try to learn more about in the future?

NO

YES

*20a. If "YES"*

Please let us know which topics these were (*optional*)

---

---

21) Would you recommend participating in this study to a friend?

NO

YES

*21a. If "YES"*

If you have a friend (or friends) in mind, please tell the research assistant, and she will provide you with information to give to your friend(s) about the study.

*21b. If "NO"*

Please tell us why you would not recommend this study to a friend.

---

---

Thank you!

Please let the Research Assistant know  
when you have finished completing the survey.
